The Management Committee

Strathbrock Community Centre was established as a multipurpose venue to provide a focus for the community and to offer a range of services and facilities including sports and social activities.

The Management Committee comprises of representatives of user groups and interested individuals who are supported by West Lothian Council staff.

They meet monthly and discuss all aspects of the management of the centre and the needs of the community. The committee must take account of West Lothian Council Policies.

The committee is elected annually at the AGM.
